Preface

Provincial Court

Criminal and Provincial Offences

Courts

The information presented in this report reflects the general activity of the Criminal and Provincial Offences Courts over the last three fiscal years (1982/83 -1984/85). The data are presented by counties, districts and judicial districts, with the exception of the table on final in court dispositions. This information is detailed by court location.

A few interesting changes in trends occurred in 1984/85 with respect to new charges received by the courts.

You will note while reviewing Table I.1(a) that there was a seventeen percent decrease in total charges received between 1982/83 and 1984/85. This decrease was largely contributed by the decrease in Parking charges received by the Metropolitan Toronto court offices. Changes in procedures introduced by the city affected the number of parking violations which were to proceed to the courts. Besides the decrease in Parking charges, charges received under the Highway Traffic Act and the Liquor Licence Act experienced decreases between 1983/84 and 1984/85, nine percent and four percent respectively.

Although the activity under the minor statutes decreased in 1984/85 over 1983/84, the charges received under the Criminal Code of Canada (CCC) and the Narcotic Control Act/Food and Drug Act (NCA/FDA) statute categories increased. The charges received under the Criminal Code increased two percent in 1984/85 over 1983/84. The charges received under NCA/FDA increased nine percent. This increase in NCA/FDA charges is very interesting since the number of new charges has been decreasing since 1981/82. See tables I.2 and I.2(a) for the data on CCC and NCA/FDA statute categories.

Any questions and/or comments regarding the contents of this report are welcomed.
